

theBicycleLounge.com

Who Are We?

We love bikes. We ride to work. We ride for fun. We ride to get somewhere. Our goal is to develop a self-sustaining repair collective.

We are not a bike shop -- we are primarily an educational resource. We are experienced cyclists who are willing to share our knowledge and our tools in a friendly, pressure-free environment. We are open to anyone interested in learning about bicycles.

How Do You Get Involved?

You can help us develop The Bicycle Lounge by volunteering your skills and resources, your time, your old dusty bikes, or just ride with us. Go to theBicycleLounge.com, click on Contact and sign up to receive updates about Events, News, Rides, and Volunteering.

We can be reached by e-mail at:
contact@theBicycleLounge.com

The Bicycle Lounge

Riverside, CA

Our Mission Statement

We promote socially conscious, healthy, and economical transportation for all members of our community by advocating safe and responsible bicycle use. We educate current and potential cyclists on both how the bicycle works and how to operate it effectively by assisting them in building and repairing their own projects.

A screenshot of a web form titled 'Contact Us' with a magnifying glass icon. The form is for email contact and includes a mailing list sign-up section. It has a 'Subscribe' dropdown menu, an 'Add Me To The List' button, and a list of options for receiving information: 'Everything' (checked), 'Events', 'News & Updates', 'Rides', and 'Volunteering'.
